WHY EASY DRIVE FINANCING.

AFFORDABILITY: Up to 30% Lower Monthly Instalments

Pay less monthly because you only pay for what you plan to use. The larger final payment is optional.

FLEXIBILITY: 4 end-of-term options to choose from.

UPGRADE.
For those who love a new car. Trade in and move into a new BMW.

RETURN.
What sets Easy Drive apart. Hand back the keys and walk away*.

SETTLE/REFINANCE.
For those who can't part with their beloved car. Settle the optional final payment or refinance the amount. Either way you keep your car.

PEACE OF MIND: Guaranteed Future Value (GFV).

GFV is our guaranteed value for your car at the end of your financing tenure.

What does this mean to you?

A win-win situation regardless of your car's market value.

Market Value > GFV

UPGRADE.
Pocket the balance or use it to upgrade.

Market Value < GFV

RETURN.
Hand back the keys and walk away* at no additional cost.

*Additional charges may be payable for both excess mileage (actual mileage higher than agreed contract mileage) and vehicle condition (assessed by an independent appraiser).
